"NO PARKING ANY TIME"
I have a "thing" for quirky, contradictions as well as old signs. If you look carefully, you’ll see that the original message on this sign was "No Parking Any Time". But someone "re-purposed" the sign creating a new message proclaiming "Speed Limit 0 MPH". Now in my mind, a "0 MPH" speed limit is a lot like parking. And, of course, once you’re there, it’s impossible to leave!

About Celebrate What’s Right with the World!

Over 300,000 people have visited the Celebrate website, since it went live in 2012. More than 10,000 people have ‘liked’ us on Facebook and more than 20,000 photographic celebrations have been posted!

Amazing! We have shared thousands of uplifting visual stories of joy and beauty, happiness and love.

For all of us who have been involved in the project, we see how much it has changed us. Not so much in an intellectual way, but rather in a deep and abiding emotional way. By seeing life as a celebration, by focusing on all we have to be thankful for, we find ourselves filling with gratitude. First, perhaps, for the big things in life. Now, more and more, for everything.— every cloud, every tree, every person, every opportunity, every breath. Living life to the fullest is so much easier through the lens of celebration. Imagine what life would be like if everyone saw life that way.
